

Case Study

Project: Rainford Solutions Launches New Website

New Website Launched 8th May 2014:

Rainford Solutions are proud to announce the launch of their new website:

www.rainfordsolutions.com

Here you will find all the latest news and information on their range of standard and bespoke 19" racks, accessories, indoor cabinets, outdoor electronic enclosures and cable management systems, which are all supported by an extensive in-house design, engineering and manufacturing capability.

The outcome/benefits:

- ✓ Innovative design
- ✓ Mobile compliant
- ✓ Easy navigation for visitors
- ✓ Refreshed copy and new imagery
- ✓ Regular news updates
