Project: Rainford Solutions Launches New Range of Seismic Cabinets

New Range of Seismic Cabinets Launched April 2017:

<http://www.rainfordsolutions.com/seismic-cabinets>

Rainford is pleased to announce the launch of their new range of Vanquish® S-Series seismic cabinets tested to the requirements of GR-63-CORE Zone 4 standard. Available in sizes: 600w x 300d x 2200h and 600w x 600d x 2200h.

Seismic Testing Video carried out at the University of Bristol to the requirements of GR-63-CORE Zone 4 standard. The rugged cabinet design has been engineered by Rainford Solutions to perform in areas of high seismic activity and vibration or areas with high load capacities.
