SMALL BUSINESS
AWARDS 2016

December 13, 2016

Corporate Vision Magazine has announced the winners of the 2016 Small Business Awards

World-Class enclosure specialists Rainford Solutions have been announced as a winner in the 2016 Small Business Awards for the Most Innovative Enclosure Manufacturer – UK, awarded by Corporate Vision Magazine.

Small businesses form the backbone of our corporate landscape. Despite often being overlooked in favour of bigger names, these firms provide much needed support and services to the communities they operate in, and as such deserve recognising and rewarding for the hard work and dedication they put in.

In order to ensure that the very best small businesses, and the individuals behind them, receive the recognition they deserve, we have designed the 2016 Small Business Awards.

Rachel Devonport, Awards Co-ordinator, commented: "Small businesses are often overlooked despite the hard work they put in to ensuring their continued success. It has been a pleasure showcasing every one of my winners and I wish them the best of luck in the future."
